**Preliminary Amendment and Petition for Extension of Time to Answer**

Dear Sir:

**In the Drawings:**

Please amend the application by adding Fig. 7, a copy of which is attached hereto.

**REMARKS**

Applicant notes that inclusion of Fig. 7 does not result in the addition of new matter to this application. The features depicted in Fig. 7, as will be noted below in more detail, are all described in detail in the specification. Additionally, the object and features depicted in Fig. 7 are depicted in other views in Figs. 1 to 6. Fig. 7 is in fact a view of features depicted in the other drawings merely from a different perspective.

Applicant notes that Fig. 7 is described in extensive detail in the specification, starting at line 12 page 6 and continuing onto page 7 to at least line 11. This descriptive portion includes appropriate reference numbers most of which also appear on Figs. 1 to 6 as well as Fig. 7. Additionally, and equally import Fig. 7 merely depicts an "alignment and positioning receptor" 14 shown in a top view in Fig. 1 and described in detail throughout the remainder of the specification with views of portions of it appearing in other

drawings. As noted most of the reference numbers in Fig. 7 appear in the other Figs. 1 to 6 and those that do not appear in the other figures of the application as well as those that do are described in sufficient enough detail in the specification.

### **Conclusion**

Wherefore the Applicant respectfully requests that this amendment be accepted and included in the application.

### **PETITION FOR EXTENSION OF TIME TO ANSWER**

Applicant hereby petitions for an extension of time to answer the above Notice to File Missing Parts a copy of which is attached, extending the time to answer from January 16, 2002 to February 19, 2002 pursuant to 37 C.F.R. 1.136. Enclosed herewith is a check for \$55, pursuant to 37 C.F.R. 1.17, to pay for the requested extension.

Respectfully submitted,

February 18, 2002
